DECISION ON ATTORNEYS' FEES AND COSTS¹

On December 13, 2016, Nicole Bailey and Travis Lee (“Petitioners”) filed a petition for compensation pursuant to the National Vaccine Injury Compensation Program on behalf of their minor child, E.L.² 42 U.S.C. §§ 300aa-10 to -34 (2012). Petitioners alleged that E.L. developed idiopathic thrombocytopenic purpura (“ITP”) as a result of the MMR and Tdap vaccinations he received on January 10, 2014. *See* Petition, ECF No. 1. On January 24, 2019, Petitioners filed an unopposed motion to dismiss the petition, which the undersigned granted on February 1, 2019, dismissing the petition for insufficient proof. ECF No. 40.

¹ The undersigned intends to post this Ruling on the United States Court of Federal Claims' website. **This means the ruling will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished ruling contains a reasoned explanation for the action in this case, the undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

² National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755.

On September 3, 2019, Petitioners filed an application for final attorneys' fees and costs. ECF No. 43 ("Fees App."). Petitioners request total attorneys' fees and costs in the amount of \$20,918.06, representing \$19,696.50 in attorneys' fees and \$1,221.56 in attorneys' costs. Fees App. Ex. 1 at 9. Pursuant to General Order No. 9, Petitioners represent they have not incurred any costs in pursuit of this litigation. *Id.* at 30. Respondent responded to the motion on September 17, 2019, stating that "Respondent is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case" and requesting that the undersigned "exercise her discretion and determine a reasonable award for attorneys' fees and costs." Resp't's Resp. at 2-3, ECF No. 44. Petitioners did not file a reply thereafter.

This matter is now ripe for consideration.

I. Reasonable Attorneys' Fees and Costs

Section 15(e) (1) of the Vaccine Act allows for the Special Master to award "reasonable attorneys' fees, and other costs." § 300aa-15(e)(1)(A)-(B). Petitioners are entitled to an award of reasonable attorneys' fees and costs if they are entitled to compensation under the Vaccine Act, or, even if they are unsuccessful, they are eligible so long as the Special Master finds that the petition was filed in good faith and with a reasonable basis. *Avera v. Sec'y of Health & Human Servs.*, 515 F.3d 1343, 1352 (Fed. Cir. 2008). Here, the undersigned does not doubt that the petition was filed in good faith, and although the petition was eventually dismissed, the undersigned finds that there was reasonable basis to file the petition. Respondent has also not challenged the reasonable basis of the petition. Accordingly, a final award of fees and costs is appropriate.

It is "well within the special master's discretion" to determine the reasonableness of fees. *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521-22 (Fed. Cir. 1993); *see also Hines v. Sec'y of Health & Human Servs.*, 22 Cl. Ct. 750, 753 (1991). ("[T]he reviewing court must grant the special master wide latitude in determining the reasonableness of both attorneys' fees and costs."). Applications for attorneys' fees must include contemporaneous and specific billing records that indicate the work performed and the number of hours spent on said work. *See Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008).

Reasonable hourly rates are determined by looking at the "prevailing market rate" in the relevant community. *See Blum v. Stenson*, 465 U.S. 886, 895 (1984). The "prevailing market rate" is akin to the rate "in the community for similar services by lawyers of reasonably comparable skill, experience and reputation." *Id.* at 895, n.11. The petitioner bears the burden of providing adequate evidence to prove that the requested hourly rate is reasonable. *Id.*

a. Reasonable Hourly Rates

The undersigned has reviewed the requested rates for Petitioners' counsel, Mr. Lawrence Cohan and Mr. David Carney, and finds the rates sought herein to be reasonable with one exception. Petitioners request compensation of \$420.00 per hour for work performed by Mr. Cohan in 2017. This rate exceeds what Mr. Cohan has previously been awarded for his Vaccine Program work in that year. *See Charneco v. Sec'y of Health & Human Servs.*, No. 17-458V, 2019 WL 3753290, at *3 (Fed. Cl. Spec. Mstr. Jul. 18, 2019); *Bartkus v. Sec'y of Health & Human Servs.*,

No. 15-261V, 2019 WL 2067278, at *2 (Fed. Cl. Spec. Mstr. Apr. 19, 2019). The undersigned agrees with these reasoned decisions and shall compensate Mr. Cohan's 2017 work at \$400.00 per hour, resulting in a reduction of **\$76.00**.³

b. Reasonable Hours Expended

Attorneys' fees are awarded for the "number of hours reasonably expended on the litigation." *Avera*, 515 F.3d at 1348. Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton*, 3 F.3d at 1521 (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). Additionally, it is well-established that billing for administrative/clerical tasks is not permitted in the Vaccine Program. *Rochester v. United States*, 18 Cl. Ct. 379, 387 (1989); *Arranga v. Sec'y of Health & Human Servs.*, No. 02-1616V, 2018 WL 2224959, at *3 (Fed. Cl. Spec. Mstr. Apr. 12, 2018).

Upon review, the undersigned finds the overall hours billed to be largely reasonable. Counsel has provided sufficiently detailed descriptions for the tasks performed, and, upon review, the undersigned does not find any of the billing entries to be unreasonable. Respondent also did not indicate that he finds any of the billing entries to be unreasonable. The only reduction necessary is for time spent by paralegals in mailing documents, an activity which has consistently been considered administrative/clerical in nature. This amounts to a reduction of **\$54.00**. Accordingly, Petitioners are entitled to final attorneys' fees in the amount of **\$19,566.50**.

c. Attorneys' Costs

Like attorneys' fees, a request for reimbursement of attorneys' costs must be reasonable. *Perreira v. Sec'y of Health & Human Servs.*, 27 Fed. Cl. 29, 34 (Fed. Cl. 1992). Petitioners request a total of \$1,221.56 in costs for acquiring medical records, postage, and the Court's filing fee. All of these costs are typical of Vaccine Program litigation and are reasonable in the undersigned's experience, and Petitioners have provided adequate documentation supporting the request. Accordingly, the requested attorneys' costs are reasonable and shall be reimbursed in full.

II. Conclusion

In accordance with the Vaccine Act, 42 U.S.C. § 300aa-15(e) (2012), the undersigned has reviewed the billing records and costs in this case and finds that Petitioners' request for fees and costs, other than the reductions delineated above, is reasonable. Based on the above analysis, the undersigned finds that it is reasonable to compensate Petitioners and their counsel as follows:

Attorneys' Fees Requested	\$19,696.50
(Reduction to Fees)	- (\$130.00)
Total Attorneys' Fees Awarded	\$19,566.50
Attorneys' Costs Requested	\$1,221.56
(Reduction of Costs)	-

³ (\$420.00 per hour requested - \$400.00 per hour awarded) * 3.8 hours billed in 2017 = \$76.00.

Total Attorneys' Costs Awarded	\$1,221.56
Total Amount Awarded	\$20,788.06

Accordingly, the undersigned awards the following:

- 1) a lump sum in the amount of \$20,788.06, representing reimbursement for reasonable attorneys' fees and costs, in the form of a check payable jointly to Petitioners and their counsel of record, Mr. Lawrence Cohan.**

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.

s/Katherine E. Oler
Katherine E. Oler
Special Master

⁴ Entry of judgment can be expedited by each party's filing of a notice renouncing the right to seek review. Vaccine Rule 11(a).
